## Outdoor baseball winds down

Hello, and welcome to the September issue of OWLL News. As we enter fall, the pace of our baseball activities slows down and we focus on development. Players who participate in fall ball move to the division that they'll be playing next spring and league play gives way to practices for most, but that doesn't mean that we don't have some tournaments and exhibition games going on every weekend. We have lucked out with the same fantastic weather that we enjoyed for most of the spring and summer, ensuring that players are getting lots of on field time, but our baseball season will start to wind down in the next week or so.

The summer of 2025 was a fantastic season of baseball for Ottawa West. Interlock teams played lots of meaningful baseball late into August and several walked away with season championships when it all wrapped up. Our district teams made it to the finals in minor, major, and junior, and we hosted an incredibly successful intermediate provincials tournament at Pinecrest. The intermediate team won at provincials, and went on to Canadians in Kingston, where they played excellent ball, making it into the semi-finals!

As we put the equipment away and start planning for next year, we hope that our families enjoy their time away from the diamond and look forward to seeing them at winter training or back on the field in the spring. Registration for winter ball will open in November, and there is a little bit of information on what our program will be in this issue.

## CALL FOR NOMINATIONS - Volunteer(s) of the Year

OWLL wants your help to honour our great volunteers, and is accepting nominations for our volunteer of the year award. This award is given to OWLL volunteer(s) in recognition of their contribution to our baseball programs and efforts to improve the league overall. Nominees will have shown dedication and a willingness to help wherever needed for the betterment of the league.

If you know of someone who made a difference for your player or a significant contribution to the league, please submit their name and a brief description of why you are nominating them to our [president](#) by October 14<sup>th</sup>, 2025.

## WINTER BALL

OWLL will once again be offering winter ball programs to both our co-ed and girls players. We anticipate offering programs from rookie through to senior divisions. As is always the case, our programs are coach dependent. If we have the coaches, we can offer sessions at the various age levels. If you are interested in coaching winter ball, email [OttawaWestDev@gmail.com](mailto:OttawaWestDev@gmail.com) / [Registrar@gmail.com](mailto:Registrar@gmail.com)

Winter ball is a skills training program that runs January to March. The purpose of this program is to give players the opportunity to work on their baseball skills over the winter months at Sir Robert Borden High School, Monarch, and the Sensplex. The program will start in January (various dates).

Watch your email or our social media channels for information on our November registration.
